## LETTER OF INTENT

April 29, 2002

Attn. Debbie Lilley  
Verizon Telephone Company  
E9-1-1 Administration  
1312 E Empire St  
Bloomington, Illinois 61701

Dear Ms. Lilley:

This letter is to confirm our intent to modify our existing Enhanced 9-1-1 System. Upon activation of the Macon County Enhanced 9-1-1 System, expected in the 3<sup>rd</sup> quarter of this year, Piatt County will implement the following changes:

1. Discontinue as PSAP for the (217) 763 exchange (Cerro Gordo) for those telephone customers within Macon County. Piatt County will continue as the PSAP for the 763 exchange for those customers within Piatt County.
2. Continue as PSAP for Macon County telephone customers within the (217) 677 exchange (LaPlace) and the (217) 699 exchange (Cisco).

Enclosed is your copy of our application to the Illinois Commerce Commission for approval to modify our existing enhanced 9-1-1 system. Thank you for your attention to this matter.

Sincerely,

Rick Dubson, Chairman  
Piatt County Emergency Telephone System Board  
Piatt County, Illinois

Enclosure: ICC application

**NARRATIVE STATEMENT  
FOR MODIFICATION OF EXISTING ENHANCED 9-1-1 SYSTEM**

The Piatt County Emergency Telephone System Board respectfully requests an amendment to our existing 911 service plan. Currently, Piatt County provides for enhanced 911 services for all of the customers in the telephone exchanges of (217) 763 – Cerro Gordo, 677 – La Place, and 669 - Cisco. Although these telephone exchanges are based in Piatt County, there are sections of eastern Macon County included in the exchanges.

Upon approval and activation of enhanced 911 services in Macon County expected in the 3<sup>rd</sup> quarter of 2002, we request the implementation of the following amendment to the Piatt County system plan:

1. Piatt County continue to provide enhanced 911 service for Macon County residents with the telephone exchanges of (677 – La Place) and (669 – Cisco).
2. Piatt County discontinue to provide enhanced 911 services for Macon County residents with the telephone exchange of (763 – Cerro Gordo).

Call handling agreements shall remain in effect for the La Place, Cisco, and Cerro Gordo exchanges. Please note the attached “Agreement for Cooperative 9-1-1 Service” between the Macon County E.T.S.B. and the Piatt County E.T.S.B. regarding the terms of this amendment. Also included in this application for modification of the Piatt County Enhanced 9-1-1 System Plan are Macon County maps of the (677 – La Place) and (669 – Cisco) exchanges.

All other existing terms and conditions of the Piatt County Enhanced 9-1-1 System Plan remain in effect.

## AGREEMENT FOR COOPERATIVE 9-1-1 SERVICE

This Agreement, made and entered into this 27 day of FEBRUARY, 2001, by and between the MACON COUNTY EMERGENCY TELEPHONE SYSTEM BOARD (hereinafter referred to as "Macon County ETSB") and the PIATT COUNTY EMERGENCY TELEPHONE SYSTEM BOARD (hereinafter referred to as "Piatt County ETSB"):

NOW WITNESSETH:

WHEREAS, Macon County ETSB desires to ensure that all telephone network connections originating within the corporate limits of the County of Macon are provided with "9-1-1" emergency telephone service; and

WHEREAS, the cost to Macon County ETSB for including low-populated, Piatt County-based telephone exchanges in its "9-1-1" emergency telephone system is prohibitive; and

WHEREAS, Piatt County ETSB operates a "9-1-1" emergency telephone system that presently includes said Macon County telephone connections; and

WHEREAS, Article VII, Section 10 of the 1970 Constitution of the State of Illinois and Chapter 5, Section 220/5 of the Illinois Compiled Statutes authorize any public agency to contract with any one or more other public agencies to perform any governmental service, activity or undertaking which they are authorized by law to perform.

NOW, THEREFORE, in consideration of the mutual promises and covenants hereinafter recited, the parties do hereby agree as follows:

1. Piatt County ETSB shall file any required modifications to its existing "9-1-1" emergency telephone system plan with the Illinois Commerce Commission regarding the inclusion of the Macon County portions of the Cisco and La Place telephone exchanges in its "9-1-1" emergency telephone system.
2. Piatt County ETSB agrees to provide the following services to the Macon County ETSB:

The Piatt County Public Safety Answering Point ("PSAP") shall answer "9-1-1" calls from Macon County residents served by the exchanges of:

Cisco	(217) 669-	Approximately 36 access lines
La Place	(217) 677-	Approximately 6 access lines

The Piatt County PSAP shall transfer said "9-1-1" calls to the Macon County PSAP. The Piatt County Dispatcher shall monitor said transferred "9-1-1" calls until certain that each call has been answered by the Macon County PSAP.

3. Macon County ETSB shall make an annual payment to Piatt County ETSB for its "9-1-1" service to Macon County telephone connections, payable upon receipt of an annual billing statement from Piatt County ETSB. Said payment shall be based upon the number of Macon County telephone connections included in the Piatt County "9-1-1" system, as determined by Piatt County ETSB, and at the same per-connection surcharge rate as is in effect during that billing period for the Piatt County "9-1-1" emergency telephone system.
4. Piatt County ETSB agrees not to discriminate between calls for "9-1-1" service from within Macon County and those from Piatt County. All "9-1-1" calls will be handled in accordance with established Piatt County PSAP operating procedures with no preference being given to calls originating from either county.
5. The terms of this Agreement shall be in effect from the date of execution hereof and from year-to-year unless either party hereto gives notice of withdrawal as provided herein. Either party may elect to withdraw from this Agreement upon sixty (60) days written notice to the other party.
6. Under the terms of this Agreement, Piatt County ETSB does not assume responsibility or liability for dispatching personnel in response to calls or requests directed to any Macon County Emergency Response Agency and the Macon County PSAP except as stated in paragraph 2 above or according to a separate call handling agreement.
7. In the event a Court of proper jurisdiction determines that any paragraph or paragraphs of this Agreement are invalid, the parties hereto agree that such invalidity shall not affect the validity of the remaining portions of this Agreement.
8. This Agreement shall be binding upon and inure to the benefit of the parties hereto, and their successors and assigns. This Agreement and the duties and responsibilities contained herein may not be transferred or assigned to another individual or entity without the express written consent of each party.
9. This Agreement constitutes the complete, final and entire Agreement between Macon County ETSB and Piatt County ETSB, and supersedes any prior agreements, either written or oral, between the parties.
10. Any modifications, amendments, changes, insertions or deletions to this Agreement must be done in writing with the consent of and executed by the parties to this Agreement.

IN WITNESS WHEREOF, the undersigned governmental units have caused this Agreement to be duly executed on the day and date above written.
